**This Is The Party That Will Inspire Your Friends For Years To Come!**

Here are some helpful tips to assure a successful party for the both of us, remember the more merchandise I sell at the party means more FREE product for you!!!! Start looking at the catalog to pick out your free stuff! If your party is \$300.00 or more you will get 10% of the total party sales!

1. Create your guest list on the paper in your hostess packet. I will email you an invitation. Print them out and mail them or hand them out. Mail invitations out at least 2 weeks prior to your party. Call your guests a few days before the party to remind them.
2. Over invite since only 1/3 will show up. If you must cancel your party, please do so A.S.A.P.
3. For those who cannot attend, encourage outside orders (Extra Hostess Credit!)
4. Please urge your guests to be prompt, so that they won't miss any of the presentation. I will start the party no later than one half hour past the scheduled time. If you know that your guests run late, make sure that the time on the party invitation is earlier.
5. Encourage guests to bring a friend, more people means more FREE goodies.
6. Endorse out loud any products that you've tried and like. This always increases sales.
7. Play Vibrations Squares! It's fun! People love to gamble! We will cut up the squares for a drawing to pick the winner!! Check your hostess packet to find the Vibrations Squares. How ever many you sell is what the total will be in the pot to win!!! The squares are also added to the final hostess credit and earns you more stuff!
8. Vibrations Parties Distributors do carry some stock on good sellers if your product is not in stock let your guests no that everything they order will be ordered and be delivered to the hostess with in 7 to 10 business days.....Thanks

## GUIDELINES FOR YOUR PARTY

1. This party is exclusively for women or Men 18 years old and over. Due to the topic of the party, no children or babies are permitted to attend.
2. I will need a close place to park, a small area for the presentation, and a confidential ordering room. I would appreciate your assistance in keeping an eye on my demonstration table while I am in the ordering room. Any help carrying in or out would be greatly appreciated.
3. I accept Visa, Master Card, Discover checks, and cash. Make all checks payable to Jody Fish.
4. Please make sure that your guests know that most products will not be available to take home that night. Avon, Pampered Chef, Candle Light, Tupperware & Home Interior all there customers have to wait for orders. It is only fare that everyone gets there orders at the same time this is less confusing for everyone....Thanks for understanding! I charge \$4.95 for shipping and handling on all orders. This covers my actual shipping costs that I incur from the company I buy from. Please "No" Sharing Order Forms!
5. Please allow 3 hours total for the show and ordering.
6. There is no charge for the party; however, there is an 8 guest minimum, no maximum.
7. If you choose to serve refreshments, please do so before or after the party. Since we are passing so much stuff around, it is difficult to be eating during my presentation. Also, if you are having a stripper, please make sure to have him come before or after my presentation.

Lastly, remember, YOU are in charge of this party. Sometimes girls can get out of hand. Please help me make sure that everyone stays "in line" My focus for your party is to entertain, enlighten and educate your guests☺

I have given you some helpful tips on having a successful party. We are partners in hosting this party, and I want to make it as easy as possible for you. Please feel free to call or email me if you have any questions.
